RE: 2024 Pool Opening and Gate Code

Dear Westbrooke Residents,

We are pleased to report that the Westbrooke pool should be ready for resident use on May 24th. As was the case last year, anyone planning to utilize the pool must sign the attached waiver prior to visiting the pool enclosure area, whether you are swimming or not. If you plan to have family members with you, they must sign the waiver as well, unless they are a minor, in which case their parent/legal guardian must sign. For residents with a caregiver that may be in attendance, the caregiver(s) must also sign the waiver to be inside the pool enclosure. **If a pool user signed the form in previous years, they do not have to sign it again this year, but the users must agree (in writing) to abide by the pool rules before being given the new gate code.**

Once I receive the waiver(s) from you as the owner or renter of the unit, I will give you the gate code. This code is only for residents to know, and a resident **MUST** be with any guests, so there is no need to share this code with someone that is not living in your household. If it is determined that you shared the code with a non-resident, resulting in the need to change the code, you will be charged \$200.00 to cover all costs associated with changing the code and then informing residents of the new code.

If there is questionable behavior, please contact me at on my cell phone 734-673-9170 in case there is something that can be done to create or foster a comfortable environment for everyone without involving the police. If you witness pool rules being broken and the behavior is creating a hostile/dangerous situation, always call the police first, but also please report issues to me. Also, use my cell phone to send pictures of issues that require prompt attention, broken or dangerous items, lost/found belongings, etc.

All other pool rules that have been published in the Rules and Regulations (included with this letter) and that are posted at the pool are still in effect. As a reminder, Westbrooke does not have a pool attendant and we rely on residents to notify us if a non-resident or person, who is not a guest of a resident, has gained access to the pool. If you ever feel the need to cross-reference a pool user with who the actual residents are, please look at the bulletin board located next to the women's bathroom (under the overhang area) for a roster with addresses. If there is ever a situation at the pool that requires police assistance, please use the 911 phone on the pool house wall: simply picking up the receiver will dial 911 and the operator will have the pool house location on their screen.

If you have any questions or concerns whatsoever, please call me on my cell 734-673-9170, or email me at lynn@mccormickcommunitymanagement.com. If you have an urgent matter, call me so that I know that it is urgent. **You can return the waiver to me by mail, email or by texting me a clear picture of the signed waiver at 734-673-9170.**

Sincerely,
